That could mean that we advertise to previous visitors who haven’t completed a task on our site, such as registering for an account. This could be in the form of an advertisement on the Google search results page or a site in the Google Display Network. Third-party vendors, including Google, use cookies to serve ads based on someone’s past visits to our sites. The data collected in this way is anonymous to us, in other words, we do not see the personal information of individual users. 6. YOUR CHOICES ABOUT THE USE OF YOUR PERSONAL DATA

We strive to provide you with choices regarding the Personal Data you provide to us. We have created mechanisms to provide you with the following control over your information:

- **Cookies.** You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. You may have additional rights if you reside in the United Kingdom or in the European Union.
- **Your Contact Information.** If you have previously emailed us and would like us to delete your contact information from our files, please contact us at support@xstreamtravel.com.
- **Other Information.** If at any point you believe the Personal Data we hold about you is incorrect, you want us to correct or delete that information, or you no longer want us to hold that information or contact you, you can contact us at support@xstreamtravel.com.

You have additional rights concerning your Personal Data if you reside in the United Kingdom or in the European Union.

A) Accuracy Of Personal Data

It is important that the Personal Information we hold about you is accurate and current. We require you to keep us informed of changes to your Personal Information. We do not control how our partners retain, store and destroy data they have accessed in connection with assisting with providing our services. You should check their websites for more information on their practices.

C) Do Not Track Disclosures

Certain browsers may offer you the option of providing notice to websites that you do not wish for your online activities to be tracked for preference-based advertising purposes (“DNT Notice”). Some browsers are, by default, set to provide a DNT Notice, whether or not that

reflects your preference. Providing DNT Notice is often touted as a means to ensure that cookies, web beacons and similar technology are not used for preference-based advertising purposes – that is, to restrict the collection of information your online activities for advertising purposes. Unfortunately, given how preference-based advertising works, DNT Notices may not effectively accomplish this goal. For this and a variety of other reasons, with respect to our Site, we do not take any particular action based on browser based DNT Notices. However, we do not use third-party advertisers or engage in behavioral marketing data collection for resale.
